Table of Allotments,

(Cheboygan, Michigan)

MB Docket No. 02-91  
RM-10411

**NOTICE OF PROPOSED RULE MAKING**

**Adopted: April 26, 2002**

**Released: May 3, 2002**

Comment Date: June 24, 2002

Reply Comment Date: July 10, 2002

By the Chief, Video Division:

1. The Commission has before it a petition for rule making filed by WPBN/WTOM License Subsidiary, Inc. ("WPBN"), licensee of WTOM-TV, NTSC channel 4, Cheboygan, Michigan. WPBN requests the substitution of DTV channel 35 for station WTOM-TV assigned DTV channel 14.

2. WPBN notes that television channel 14 is located adjacent to a band of frequencies used primary for land-mobile operations. WPBN asserts that the allotment of DTV channel 35 for its station is necessary in order to avoid unintentional interference to Cheboygan's emergency services' land-mobile operations. It further submits that the potential for interference with land-mobile communications is higher in Cheboygan because the land-mobile equipment used by emergency personnel in the community tends to be older and more susceptible to interference. WPBN states that adopting its channel change proposal will serve the public interest by protecting the land-mobile communications, while permitting coverage of the entire Cheboygan community.

3. We believe WPBN's proposal warrants consideration. DTV Channel 35 can be substituted for DTV Channel 14 at Cheboygan, Michigan, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) at coordinates (45-39-01 N. and 84-20-37 W.). In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). However, since the community of Cheboygan is located within 400 kilometers of the U.S.-Canadian border, concurrence of the Canadian government must be obtained for this allotment. We propose to substitute DTV Channel 35 for DTV Channel 14 for station WTOM-DT at Cheboygan with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
MI Cheboygan	35	80	168

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Cheboygan, Michigan	14	35

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before June 24, 2002, and reply comments on or before July 10, 2002, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Jonathan D. Blake  
Covington & Burling  
1201 Pennsylvania Avenue, NW  
Washington, DC 20004  
(Counsel for WPBN/WTOM License Subsidiary, Inc.)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been

decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
